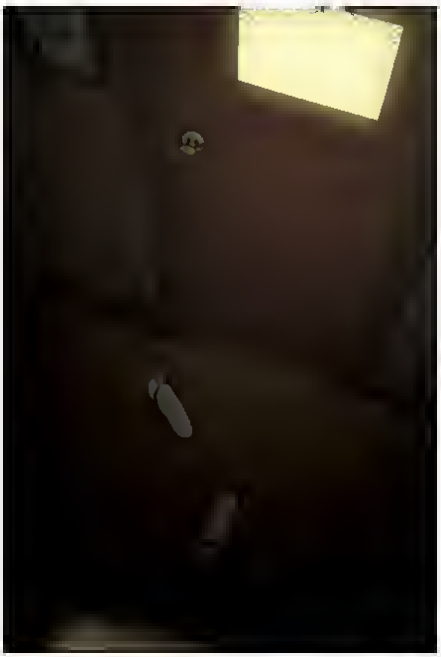
Chapter 7
- The Child who Became Evil -

Nice bar you got here.

And it looks like you've found someone you love, as well...

This whole time, I've been through a lot of suffering and pain, but Ajusshi, you were happy weren't you?



When I ask you questions...

I expect you to answer.

Were you happy?

TREMBLE

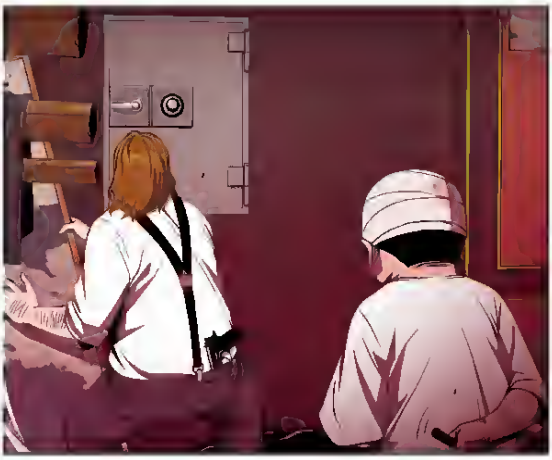
GURRGHH..!!

I killed a few people here and there, and spent some money getting info on you...

You hid yourself away so well, I had a bit of trouble finding you.

I don't understand why adults had to make me into this

They only show their filthy sides, they use me, deceive me...they only think about taking from me.



So you can hardly blame me for turning out like this.

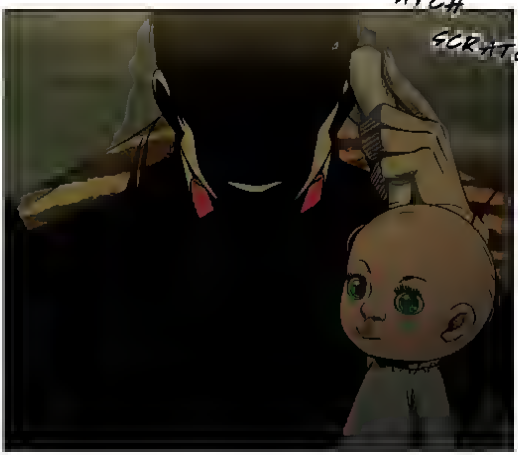
five zero three f-a

5,0,3,4.

Because for me to live, someone must die.

SCRATCH

SCRATCH



They're so silly...

...all of these adults are so stupid.

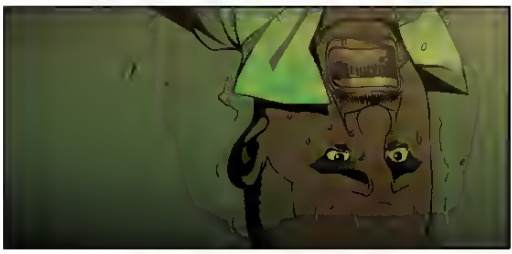
You know, this woman, she sleeps too much. Or maybe it's from the electric shock?

This is the woman you love, right?

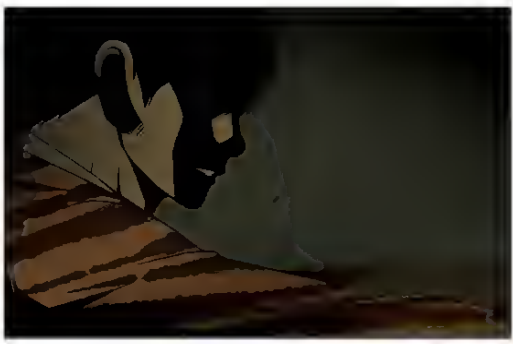
Should I try waking her up?

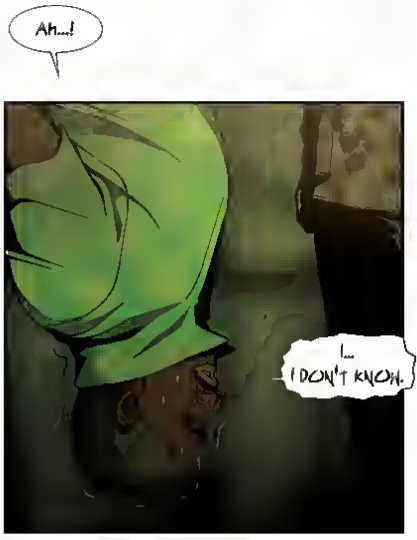
NO, NO...!!



Then, tell me.

Where is Choo?





Ah...!
I...
I DON'T KNOW.

Wrong!

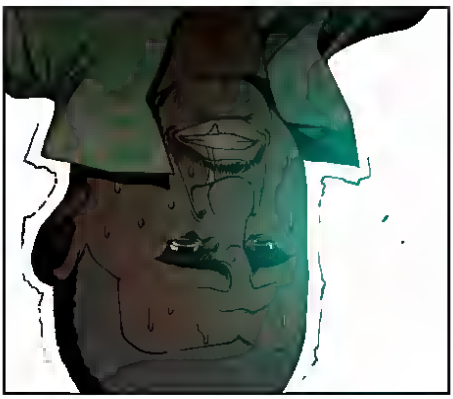
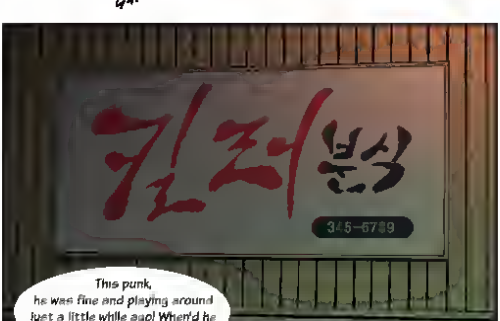
Let me ask again...

Where is Choo?



SIGN: KILLER STALL

SHUT



This punk, he was fine and playing around just a little while ago! When'd he fall asleep?

I guess he was tired.

I can hold Jin-yi, give him to me.
It's fine, I'll hold him

Yung-mi... Smartphone...
Gasp
Gasp
My, even when he's asleep he dreams of smartphones!

Can't we just buy him one?
It'd be another story if he didn't have one, but he already has one! And he'd just play games on it anyways.
I'll take care of matters like this, so you don't have to worry about it.

Oh yeah, Kyung-yi...That stupid girl, have you had any word from her?
She called me this afternoon. She said she'll be home a bit late because she's going to a club meetup

That little... ever since she started going to college, she's always been coming in late drinking! And here we are, breaking our backs paying her tuition.
Just see what happens when she comes home!
CHAKE

Honey, don't you dare try and go out behind my back to bring her home! Because I won't be opening the door this time.
But the nights are still cold..

RING RING

Is it Kyung-yi?
Nope, it's the manager.
MANAGER PARK
010-7XXX-XXXX

Aye, Mistah Go! You closed your store for the night yet?
You have? Then of course you gotta have a drink with me, you sonuvabitch! I'm here at the Joseun Stall sneak over here without tellin the ajosi!

Without telling who?
Oh snap, the sista was with you ..?!

I've told you once, I'll tell you twice. Stop trying to get my husband into bad habits!
Suzie, don't be like that...

But it ain't like I'm tryna get him into bad habits.. more like tryna build on our bonds of friendship...
Cos I seriously like Mister Go, ya know...

I can't say anything to a sober meal or two, but drinking is out of the question! Please don't call him for this again.
C'mon now sista! What kinda man can live on just food? There's gotta be some beer involved..

BEEP

Come on, don't be so harsh on the meneger If you get to know him he's a really good guy

I know that...

But it's because he drinks too much, and gets those around him to do so too

WHAT DID I DO...?!

SFX: POUR POUR POUR POUR POUR

And the worst part is...

Manager, how about ordering some snacks for once.

You always bring your own drinks, and never order any snacks...And you just lay down a dollar saying it's your admission fee. If you're going to keep being like this, even if you are a regular customer, it's bad for my business...

I did order some kimchi!

That's a given...

...he's so cheap.

So you always end up paying for the snacks.

That's why he let our family work out at the gym for free.
And I'm telling you there's definitely a catch somewhere!

My husband, honey, and dear! Remember, you can't trust anyone.
Besides our family, that is

These words...

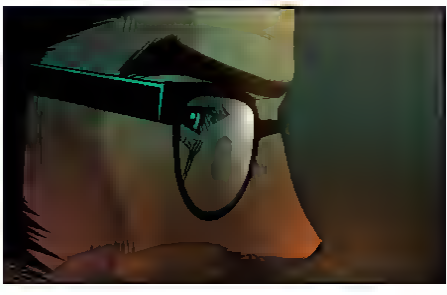
I understand them, but their meaning is so painful

I feel that my wife has become this way

because of me.

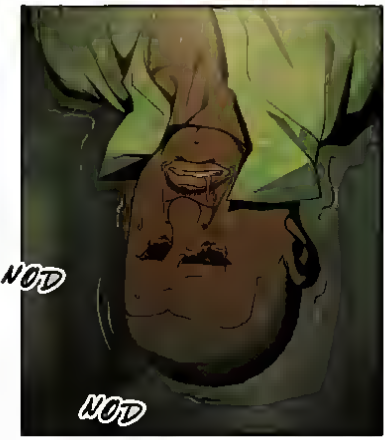
And that...

makes it all the more painful.

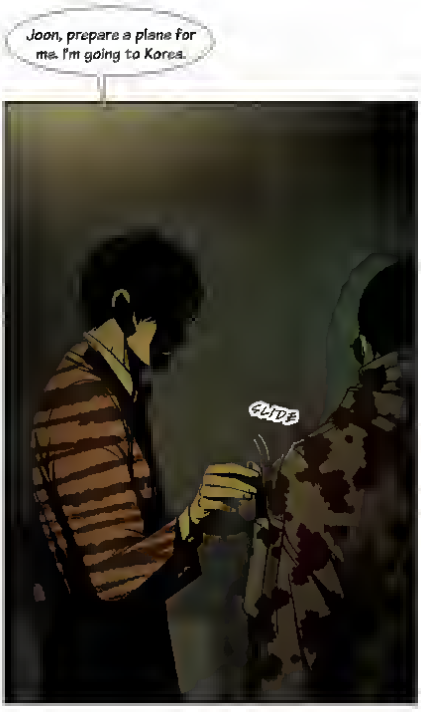


Hehehehehe
I lost everything, and turned crazy like this.
But that bastard's living happily together with his family!

You're not lying to me, right?



CRASH



Joon, prepare a plane for me. I'm going to Korea.
GLIDE

Whew! I had so much fun, it's hot now.

Ernie ajusshi, you didn't recognize me at first sight...
But Choo...

Do you think he'll recognize me at first sight?
